

Rondavel

A superior standard room – this is a charming double room, built in the traditionally African circular form with high thatched roof, set to the side of the main house. The outside verandah offers a private seating area with chill out day bed, leading into the bedroom with rustic four poster bed, perfect for couples wanting to enjoy a romantic escape. The room also contains a four poster day bed, suitable for a child sharing with parents. Leading off the bedroom is an en-suite bathroom with bath, shower and an outside shower. There is also a mini bar with tea and coffee making facilities.
