

## Sable Suite

Upstairs in the main house is a luxury suite, perfect for families. The master bedroom features an extra king-size four poster bed with a large window overlooking the gardens and bush beyond. This leads through to an exceptionally spacious bathroom and dressing area with bath and waterfall shower.

Located beside this is an en-suite twin (which can be converted to a double), ideal for two children travelling with their parents. An additional ¾ four poster bed is located just outside this bedroom, for a third child. There is a spacious sitting area with comfortable sofas and a large fireplace, alongside a dining area and full mini-bar with tea and coffee making facilities. This opens up on to a large veranda with shady seating area.
