

## Weaver suite

This is a beautifully spacious and light upstairs room, set to one side of the main house, with an extra-king-size four poster bed. There is a large veranda overlooking the bush, perfect for relaxing with a cold drink from the mini-bar and a good book. The en-suite bathroom has a bath and separate shower

The dimensions of this room easily allow for beds to be added for two children sharing with their parents. You also have full amenities and tea and coffee making facilities in this room.
